Ms. Maryalicia Johnson

To whom it may concern:

Today I am pleased to communicate that I have worked professionally with Maryalicia Johnson, Sr. Media Relations Director, Spokesperson, Y of Central Florida for the past five years. Her quality of work and professional capacity to achieve the work of media relations is stellar. Across the years, for which I have known her, she has performed above standard in both written and electronic media getting the stories of the Y of Central Florida to the citizenry and the leadership of the community on the critical value of the Ys impact on education (academic achievement) children's health, youth sports, youth and family development and social responsibility. These all-important 21<sup>st</sup> Century issues were made much clearer to the public as a result of Ms. Johnson's quality of work and high professional standards of journalism and media relations.

Therefore, whatever endeavor Ms. Johnson initiates in furthering her academic and professional career I am honored and delighted to tender this recommendation as she goes forward in the future. I remain.

Sincerely,

Wayne Humphrey
